Wednesday, November 6, "Elder Law"

Connie Glass, CELA—Elder Law Firm of Connie Glass, PC

Part of successful aging is a result of planning ahead and having control of your affairs. Asset preservation and management during your lifetime is just as important as how those assets will be distributed at your death. Most people do not realize the high cost of full-time care, nor do they realize that they generally do not have insurance to cover the costs of this type of care.

Ms. Glass has had extensive experience in the field of Elder Law, having served as the attorney for the TARCOG Area Agency on Aging for over ten years prior to establishing the Elder Law Firm. She is certified as an Elder Law Attorney by the National Elder Law Foundation.

Volunteers needed to host Wednesday night dinners in November. Our last dinner for the fall semester is November 20. Thank you for your assistance.
